ELIZHAN DUVENHAGE

ARTIST, UX/UI DESIGNER & WEB DESIGNER

I am a designer with a Bachelor's Degree in Fine Arts, blending artistic sensibility with UX/UI experience to create compelling visual and digital experiences. My keen eye for composition, colour, and detail allows me to craft intuitive designs for websites, marketing, and exhibitions. Adaptable and collaborative, I thrive in creative environments and am eager to contribute my skills to a dynamic team.

EDUCATION

MATRICULATED
Hoërskool Secunda | 2019

BACHELORS DEGREE IN FINE ARTS
University of Pretoria | 2023
I took part in group and solo exhibitions, curating cohesive displays, managing timelines, and professionally presenting artwork.

In 2022, I led a community engagement project, teaching papermaking while fostering cultural sensitivity and creative problem-solving.

CERTIFICATES

REFRENCE

Cobus Erasmus - 083 383 6574

EXPERIENCE

FREELANCE WEB DESIGNER
Art-Based Counselling Website | Remote | 2025
Designed and developed a responsive website tailored to a therapeutic art-based counselling practice.

ASSISTANT
Fine Artist Cobus Erasmus | 2022 - 2024
I efficiently managed administrative tasks, prioritized deadlines, and coordinated logistics for order fulfillment, ensuring smooth operations and customer satisfaction.
With strong attention to detail, I handled order processing, packaging, and quality control while addressing challenges with a problem-solving mindset.
Additionally, I contributed to creative decisions, collaborating to enhance both artistic and operational processes.
